To

T.E. Jayarama Iyer, Esquire, B.A.,B.L.,

Secretary to the Government of Mysore,

Muzrai Department, Bangalore.

Sir,

Adverting to your letter No.3471 Muz.396-20-2 dated the 5th April 1921, calling for a report on the petition of Rangasetti of Hosaholalu village, krishnarajpet taluk, offering cash and land endowments for the benefit of Sri Lakshminarayanaswamy temple at the place, I have the honor to state that the said Rangasetty also presented a similar petition before the taluk Amildar of Krishnaraja pet on 14th July 1919 and the Amildar has recorded the petitioners' statement and submitted a report through the Sub Division Officer French Rocks

It is seen therefrom that the offer of the land endowment made by the petitioner Ranga Setty viz vritti Nos.5, 18, 2 and half of vritti No. 4 of Bandhole village, krishnarakpet taluk, are the self-earned properties of Rangasetty by purchase, which seem to be free from any litigations or disputes. The value of these vritties is estimated at Rs.5000/-. Rangasetty's sons and other claimants also seem to have agreed to the above endowment being made. The petitioner has further agreed to execute the necessary bonds or documents that may be required by Government in respect of the endowment proposed to be made by him. Both the Amildar and the Sub Division Officer recommend the acceptance of the petitioner's

Rangasetti has since offered a cash endowment of Rs.5000/-

ape of Mysore Government Pro-Note of 1920 bearin interest

Under these circumstances, the vritties referred

he cash endowment offered by the petitioner may

Besides these, the petitioner, is reported to have left in charge of the temple servants certain assessed lands of his at Hosaholalu Krishnarajpet taluk as per details furnished in the margin, the temple servants being allowed to enjoy the income the from as remuneration for their services after paying the assessment due thereon. The petitioner has stated before Amildar on 15th July 1919 that these lands may also be taken under Government Management but left in charge of the temple servants as heretofore.

4. The income from the vritties referred to in para 2 supra is reported to be 342-7-3 a year. The interest on the cash endowment per annum would be Rs.312-8-0. The total annual income from these endowments will thus work up to Rs.654-15-3.

5. The annual expenditure as per scale furnished by the donor with the petition under reference will come to Rs.616-14-9 leaving a balance of Rs.38-6-0 as Reserve Fund for repairs etc. As the scale adequately provides for all items of expenditure it may be sanctioned.

6. Further, the petitioner has in his statement before the Amildar on 15th July 1919 stated that arrears amounting to Rs.309-8 as detailed in the margin are due from the vritties offered by him and that this amount may be recovered by the Government agency and credited to the said temple funds. This can also be done after the vritties are taken under Government management

7. The prayer of the petitioner that one of the members of his family may be appointed perpetually as one of the Dharmadarsis of the said temple to supervise the affairs thereof in view of the endowment

the endowments made, also deserves favourable consideration

8. The original sale deeds in respect of the purchase of the lands in question by the donor and the four sanads relating to the grant of the said villages, presented by the petitioner are submitted herewith for reference together with the file of connected vernacular papers on the subject

9. The petition and other enclosures received with your letter under advertance are also returned herewith.
